

Easter

EASTER

Easter is a Christian holiday in spring, where the family comes together.

Why do we celebrate Easter?

- Jesus died on the cross two days before.
- At Easter we celebrate the resurrection of Jesus.

Christian customs at Easter

- Eggs are painted.
- Eggs and chocolate are hidden.
- It is said to the little children that the Easter bunny hides the chocolate and the eggs.

What do you eat at Easter?

The Easter lamb is also part of Christian Easter. The Easter lamb was born out of the ritual of the Jews to slaughter and eat a lamb for Passover. The lamb is slaughtered in memory of God.
